Dear Naghul Adhithya,

Congratulations! It is my great pleasure to inform you that you have been awarded a total of $17,500 in Florida Tech academic scholarship funds!

Academic scholarships are awarded to applicants who have distinguished themselves through academic excellence. I hope you and your family are as proud of your achievement as we are.

Upon enrolling at Florida Tech, your scholarship funding will be applied equally between the Fall and Spring semesters ($8,750/sem.).

Your scholarship will renew annually for up to 4 years as long as you maintain:

- Full-time enrollment (12 or more credit hours of coursework per semester)
- 2.0 cumulative or "overall" GPA
- 75% course completion or "pass" rate

The total potential value of your Panther Funds over the course of 4 years is $70,000.

Ready to take the next steps?

- Access the Admitted Student Portal, where you can accept your award by navigating to the Financial Aid Checklist. Upon accepting your award, the funds will be held for you.
- Unlock additional financial aid resources by completing the FAFSA. On average, FAFSA filers receive $7,000 more in grants and scholarships than non-filers.

It is my genuine hope that our investment in your education will help make it possible for you to pursue your passion and realize your full potential at Florida Tech.

Sincerely,

Michael J. Perry
